

SuniTAFE has formed a community partnership with a range of organisations to offer students exciting education scholarships.

Scholarships are provided to ensure that the absence of money or support will not stand in the way of a young person achieving their potential.

The Travel Grant was established in honour of Albert Heslop, a state viticulturist, councillor of Swan Hill and Life Member of the Murray Darling Association. - The recipient will make their own travel arrangements and be responsible for any costs in excess of the grant money awarded.
- The recipient will advise SuniTAFE as each activity is completed and, where practical, provide photos that may be used as promotional material.
- The recipient will submit a brief written report (in a template provided by SuniTAFE) to SuniTAFE and to their industry within two months of completing the grant program. The report will describe the activities undertaken, what was learnt from the activities, and how the activities contribute to the recipient's industry and enterprise.
