

How-to Guide: setting up 2-Step Authentication

If any issues are experienced, please call Library on 5022 3960 or email LRC@sunitafe.edu.au

To set-up your password you need to go to the [SuniTAFE homepage](#). Click on the link below to access the homepage - <https://www.sunitafe.edu.au>

On the homepage click on [Suniconnect](#) heading in the top right corner.

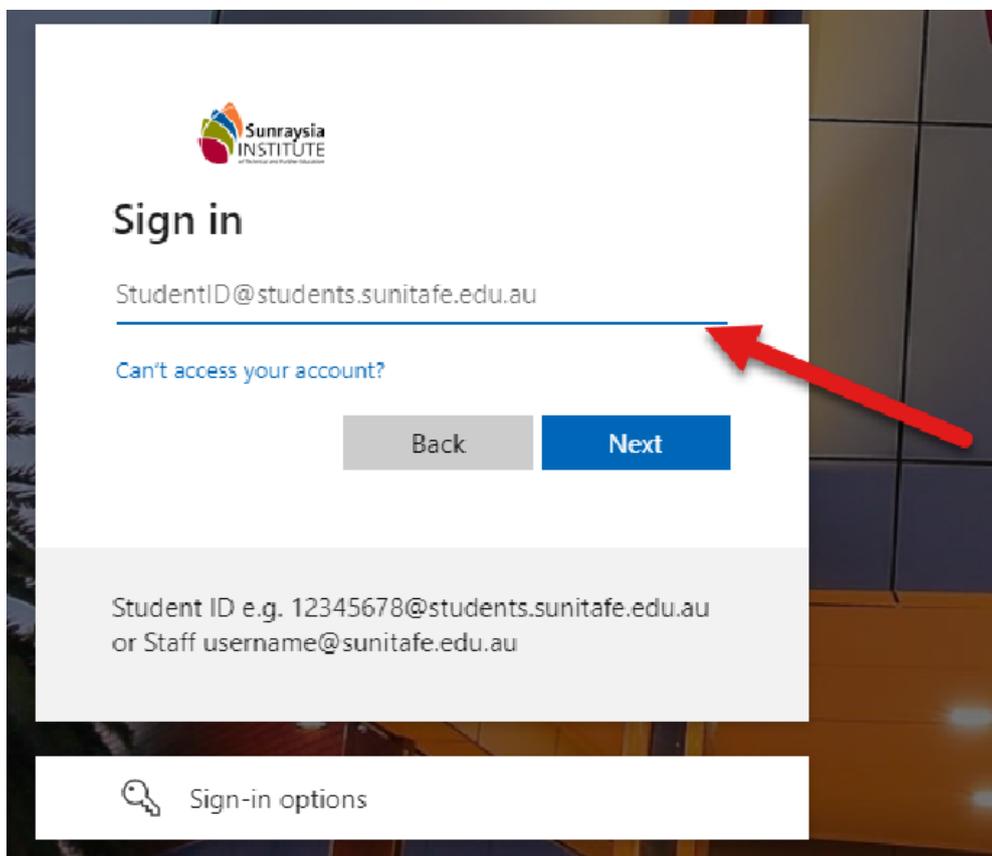

[Contact Us](#) [Staff](#) [Suniconnect](#) [Password Reset](#) [Student Mail](#)

[FIND A COURSE](#) [APPLY NOW](#) [WORK WITH US](#) [EXPLORE SUNITAFE](#) ^

Type your student email address– [student ID]@students.sunitafe.edu.au

Then press the [next](#) button

Sign in

StudentID@students.sunitafe.edu.au

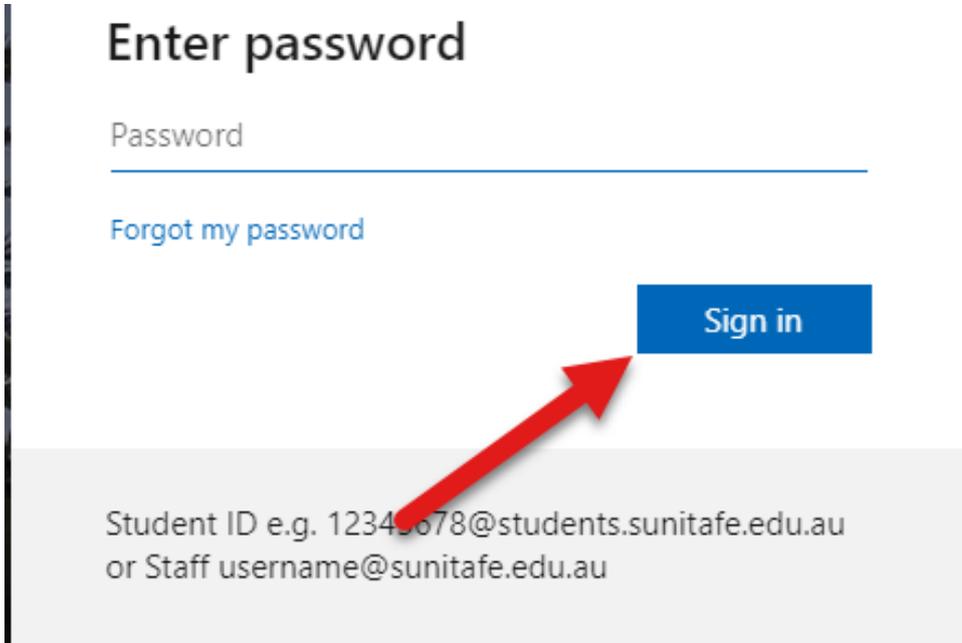

[Can't access your account?](#)

[Back](#) [Next](#)

Student ID e.g. 12345678@students.sunitafe.edu.au
or Staff username@sunitafe.edu.au

 [Sign-in options](#)

In the password box enter your **password** then press the **Sign In** Button

Enter password

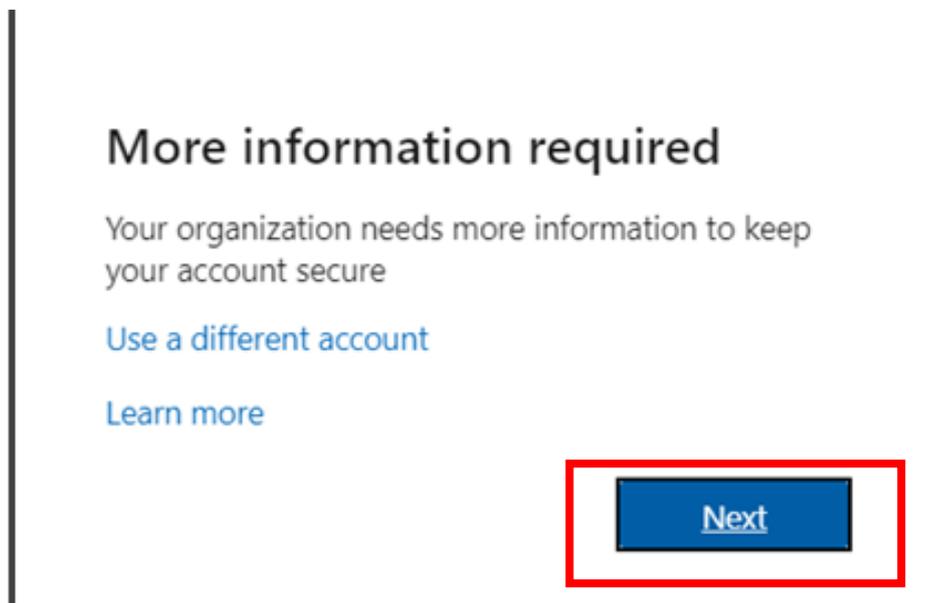

Password

[Forgot my password](#)

Sign in

Student ID e.g. 12345678@students.sunitafe.edu.au
or Staff username@sunitafe.edu.au

Due to data security policy changes, you will need to set up a second authentication method to log in. Click **Next** when you see the below screen.

More information required

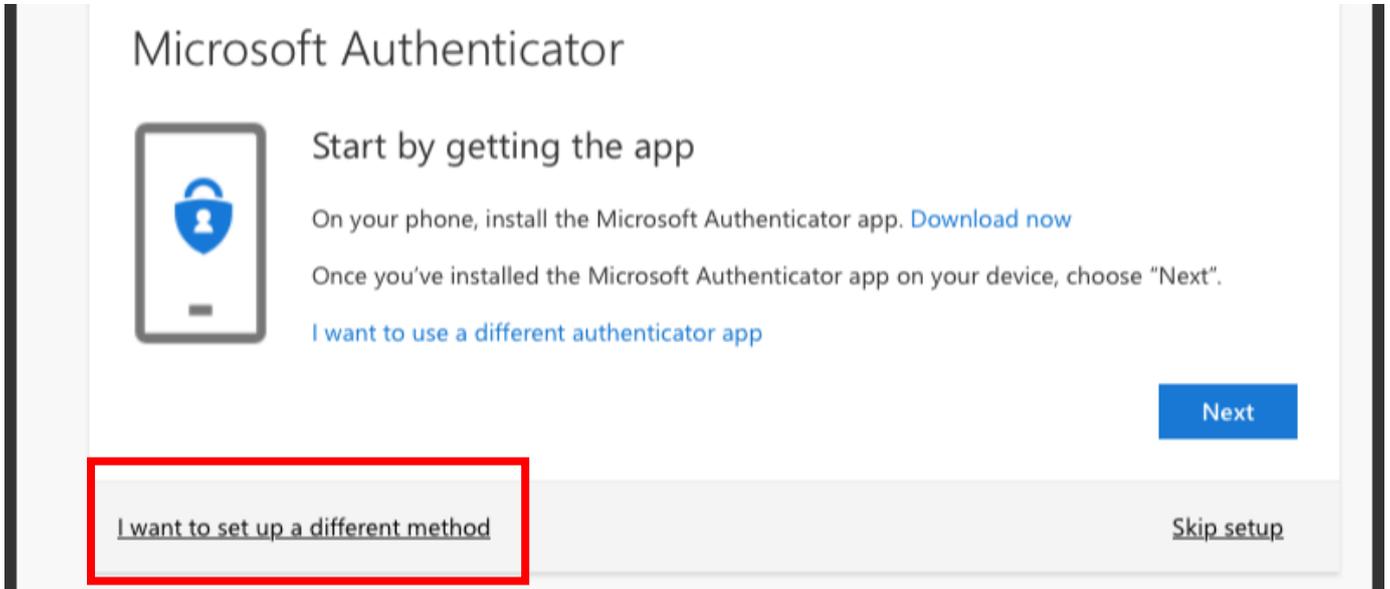

Your organization needs more information to keep your account secure

[Use a different account](#)
