

SuniTAFE VCE & VPC Outcomes 2023

SuniTAFE provides Senior Secondary school programs across the region for students who wish to complete a Victorian Certificate of Education (VCE) or a Victorian Pathways Certificate (VPC). We are committed to providing quality programs to re-engage individuals who may not have completed schooling within a school setting. SuniTAFE offers a link with other Vocational Education and Training as part of these programs. Each year SuniTAFE monitors and analyses data related to VCE and VPC student participation, completion and outcomes.

The graph indicates destinations for VCE and VPC students who completed in 2023. This data is a clear indication of SuniTAFE's commitment to improving student foundation skills and increasing options for further study and employment.
