Certificate III in Work Health and Safety (BSB30715)

This qualification is suitable for skilled operators who take on Work Health and Safety (WHS) responsibilities in addition to their main duties. They may provide technical advice and support to a team and apply a range of competencies in varied work contexts.

Entry requirements
Each student will undertake a Pre Training Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual's existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
This qualification will allow you to work in a variety of sectors, engaged with the safety, health and welfare of people in the workplace.

Further study
Further training opportunities exist after successful completion of this qualification, via BSB41415 Certificate IV in Work Health and Safety.
