Certificate IV in Work Health and Safety (BSB41415)

SuniTAFE... Start here, go far!

This qualification is suitable for people working in a Work Health and Safety (WHS) role who work to provide leadership and guidance to others and have some limited responsibility for the output of others. The qualification reflects the role of workers who apply a broad knowledge base and well-developed skills in a wide variety of contexts and may include coordinators, advisors and facilitators.

Entry requirements
Each student will undertake a Pre Training Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual's existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
This qualification will enable you to work in roles that oversee the health and safety of work environments, such as an WHS Officer, WHS Technician or as a Work Cover Inspector. WHS has a broad scope, addressing any place where people are engaged in employment, meaning there is a range of career opportunities within the sector.

Further study
Further training opportunities exist after successful completion of this qualification, via Diploma of Work Health and Safety.
