The Certificate III in Wine Industry Operations takes your wine making career to the next level.

The Certificate III in Wine Industry Operations takes your wine making career to the next level. You will learn the skills required by horticulturalists on wine grape properties or a manager or supervisor of a dedicated area within the wine processing industry.

Entry requirements
You must be employed in the industry.

Each student will undertake a Pre Training Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual’s existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
This qualification could lead to employment as a supervisor or plant operator in a winery environment or skilled viticulture worker.

Further study
Please contact SuniTAFE to discuss other qualifications that can extend your skills further.

Expected time to complete
3 Years
