First Aid (Early Childhood) (SCCHC30113EC)

This unit describes the skills and knowledge required to provide a first aid response to infants, children and adults.

This unit describes the skills and knowledge required to provide a first aid response to infants, children and adults. The unit applies to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies.

Entry requirements
Students are required to complete a workbook before 1 day training session with first aid trainer.

Each student will undertake a Pre Enrolment Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual's existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
This course is embedded in Certificate III and Diploma of Early childhood education and care and an essential skill for early childhood educators.

Further study
CHC50113 Diploma of Early Childhood Education and care qualification upgrade via RPL, skills assessment and gap training off campus.

Fee
$240.00
