SuniTAFE provides Senior Secondary school programs across the region for students who wish to complete a Victorian Certificate of Applied Learning (VCAL). We are committed to providing excellent programs to re-engage individuals who may not have completed schooling within a school setting. SuniTAFE offers a link with other Vocational Education and Training as part of VCAL programs. Each year SuniTAFE monitors and analyses data related to VCAL student participation, completion and outcomes.

The graph indicates destinations for VCAL students who completed in 2015. This data is a clear indication of SuniTAFE’s commitment to VCAL and improving student foundation skills and increasing options for further study and employment.
