PROGRAM INFORMATION

The Mildura Region Trade Training Centre (MRTTC) and SuniTAFE have collaborated to offer a wide range of Vocational Education and Training Delivered to Secondary Students (VETDSS) courses to provide skills in both traditional trades and emerging industries.

The MRTTC was established to increase the proportion of students completing Year 12 or equivalent and to enhance pathways to further education and training.

Students from 11 cluster schools have access to programs and facilities at the MRTTC:

Chaffey Secondary College
Coomealla High School (NSW)
Henderson College
Irymple Secondary College
Merbein P-10
Mildura Senior College
Mildura Specialist School
Red Cliffs Secondary College
St. Joseph's College
Trinity Lutheran College
Werrimull P-12

There are two main hubs, the Riverside Trade Training Centre located at St Joseph's College Mercy Campus and the Deakin Trade Training Centre located at Mildura Senior College. In addition, there are also training facilities at SuniTAFE. All sites provide students with state-of-the-art facilities and equipment.

HOW DOES IT WORK?

The VETDSS programs run over one or two years. Most students will start their program in Years 10 or 11, however depending on the course selected there may be the opportunity for Year 8 and 9 students to participate in taster programs.

Students will attend either the Riverside Trade Training Centre, Deakin Trade Training Centre or SuniTAFE on their scheduled program day each week, during the term from February to November. Some programs may also require attendance after school hours.

SHOULD I DO A VETDSS PROGRAM?

- Speak with your VET Coordinator/School Careers Teacher
- Undertake work experience in the field you are interested
- Talk to family or friends who work in the industry

If you decide you want to do a VETDSS program, then see your VET/Careers/Home Group Coordinator to find out more information.

HOW WILL MY VETDSS PROGRAM BE ASSESSED?

Your teachers will use a range of assessment tasks to ensure you have achieved competency, i.e., written tests, skills demonstration, and in some programs, workplace assessment. In programs that have Scored Assessment you will be assessed like any other subject at Unit 3 and 4 level, but you won't need to worry about that until the second year of your course.

WHAT IF I DON'T WANT TO COMPLETE THE PROGRAM?

You will need to discuss this with your home school and notify the VET Coordinator. You will receive a Statement of Results for any of the modules you have completed in the program.

HOW TO BE SUCCESSFUL IN YOUR VETDSS PROGRAM

- Be enthusiastic and motivated.
- Be organised and manage your time well.
- Be willing to make sacrifices i.e., undertaking work placement during holiday times.
- Be flexible and open to new approaches - the training and assessments are different to what you will be used to at your school.
- You will need good communication skills.
- Be willing to make new friends - students in the program will come from many schools in the Sunraysia region.
- Ensure you work out the balance of school, your VETDSS program, work placement, part-time work, sport and social commitments.

APPLICATION AND ENROLMENT PROCEDURES

Applications are submitted to your Secondary College VET/Careers/Home Group Coordinator.

- Expressions of interest forms or online applications are to be submitted by the due date.
- You will need to complete an enrolment application process. This includes an expression of interest form, enrolment form and a pre-training review.
- Some programs may have an eligibility and selection criteria such as interview, aptitude tests etc.
- Your school will be notified if your application has been successful with details for orientation or enrolment sessions you need to attend.
- Late applications may be accepted for some programs, however will only be considered if vacancies exist or become available at a later date.

ENROLMENT SESSIONS WILL BE HELD IN TERM 4

Students and their parents may need to attend an enrolment session at the TTC.

COSTS

Costs will vary between programs and the invoice for program costs including materials, books, uniforms, kits and other fees will be sent to your home school. Students undertaking trade courses will be required to complete an OHS Construction Induction Card course prior to work placement occurring.

For further fee information please contact your school VET/Careers/Home Group Coordinator.

STUDENT WITHDRAWAL PROCESS AND FEES REFUND

Students have a four week 'grace period' from the program commencement date to withdraw from their VETDSS program.

- Withdrawal within this four-week period will ensure schools are not charged for the student's course costs.
- Withdrawal after this four-week period means your school will be charged for that student's course costs.

STUDENT RESULTS AND REPORTING STUDENT PROGRESS

- Schools will receive progress reports during Term 1, Term 2 and Term 3.
- Students will receive a Statement of Attainment provided by the Registered Training Organisation at the end of the year.
- Your home school will receive notification if you are at risk of not passing the year due to either absences or work completion.
- Students who do not compete all units 1 and 2 may not be eligible to undertake the 2nd year of the program the following year.

STUDENT ABSENCES AND TRANSPORT BACK TO HOME SCHOOL

- Absences are reported to your home school each week.
- Trainers will complete an Attendance Notification after each class and these are sent to the respective schools.
- If you know that you are going to be absent due to appointments or other commitments then please notify your home school, St Joseph's College, Mildura Senior College and SuniTAFE before your class commences.
- It is the responsibility of parents/guardians or your home school to ensure that you return home safely. Once the class session has concluded, duty of care rests with the parents/guardians.

DUTY OF CARE/STUDENT CONDUCT POLICY/ DISCIPLINARY AND GRIEVANCE PROCEDURES

- The responsibility for duty of care rests with the TTC Host School Principal and/or SuniTAFE while you are on school grounds completing your VETDSS program.
- TTC Host Schools and SuniTAFE will at all times act in such a way as to make every effort to ensure the safety of the students.
- Corresponding Student Code of Conduct Policy outlines behavioural expectations and penalties for misconduct.
- Student management processes are in place to act on any minor or major incidents/accidents.

YOUR HOME SCHOOL RESPONSIBILITIES

- To ensure fees are paid in accordance with the contracts.
- To assist with transport if required.
- To follow up on attendance or behavioural issues.
- To provide a contact person for the program.

INCIDENT/ACCIDENT NOTIFICATION

All incidents, accidents and near misses must be reported immediately to your TTC teacher, SuniTAFE teacher or staff member.

In the event of a serious injury the TTC Principal, SuniTAFE VETDSS Coordinator, your home school Principal and your parents/guardians will be notified immediately to determine what action must be taken.

PERSONAL PROTECTIVE EQUIPMENT

Students are to observe specific standards when attending classes. Teachers will give more specific requirements in the first lesson. Standards include:

- Appropriate footwear must be worn at all times [footwear such as thongs and sandals are not permitted]
- SuniTAFE Hospitality – wear uniform that is provided
- Black pants/skirt and RTTC polo shirts.
- No short skins and shorts [unless wearing leggings].
- Light make-up to be worn daily [Beauty].
- Hair must be styled daily [Beauty must wear hair off the face and tied back].
- No facial piercings or visible tattoos.
- Hats will be provided and must be worn at all times when outside the stadium.
- No mobile phones.

Please Note: Any student who presents for class without the required clothing or books will be sent back to their home school. The TTC or SuniTAFE staff will inform the home school when such action has been taken.

COURSE CHANGES

- Course modules are subject to change without notice and students will be notified of any relevant changes.
- Course fees and materials are subject to change without notice.
- Courses are subject to minimum number of students enrolling and may not proceed if required numbers are not met.

UNIQUE STUDENT IDENTIFIER (USI)

Students undertaking nationally recognised training are required to have a Unique Student Identifier [USI]. This includes nationally recognised training delivered as part of the VETDSS programs.

Training organisations will not be able to enrol students or issue Certificates or Statements of Attainment if they have not been given the student's USI.

Creating a USI account is free. The online USI account will keep an individual's training records in one place so it's available anytime on computers, tablets or smart phones.

Students starting or continuing nationally recognised VETDSS program will need to create a free USI account. Students will need to have ONE of the following forms of identification with them to be able to create a USI:

- Driver's licence
- Medicare Card
- Australian Passport
- Visa [with non-Australian Passport]
- Australian Birth Certificate [Birth Certificate extract is not sufficient]
- Certificate of Registration by Descent
- Citizenship Certificate
- ImmiCard

The USI must be entered on enrolment or completed at enrolment. To create a USI go to www.usi.gov.au

VET REGISTRATION AND DELIVERY

Delivery of a VET program is undertaken by a Registered Training Organisation [RTO]. RTOs are providers and assessors for nationally recognised training.

St Joseph's College and Mildura Senior College have formed partnerships with the following RTOs for the delivery and assessment of VET programs. For information on individual RTO's Complaints and Appeals Procedures refer to their websites.

AUTOMOTIVE AND ENGINEERING

CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION AUR20720

COURSE AIMS

The VET Automotive program will provide students with the basic knowledge and skills to enhance employment prospects as a trainee or apprentice in the automotive repair, service and retail industry. The course is designed to introduce students to automotive repair principles and the ability to perform a limited range of tasks, relating to the inspection of the mechanical components and systems of vehicles.

COURSE ASSESSMENT METHOD

- Practical assessments
- Completion of workbooks
- Written assessments for each workbook

CERTIFICATION

Successful Year 1 students will receive a Statement of Results; successful Year 2 students will receive a Certificate. RTO is responsible for issuing qualifications and statements of attainment associated with this course.

ADDITIONAL INFORMATION

Students are required to wear enclosed footwear and appropriate clothing while in the workshop.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURAF103	Communicate effectively in an automotive workplace
AURAF104	Resolve routine problems in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETR103	Identify automotive electrical systems and components
AURLTA101	Identify automotive mechanical systems and components
AURTTK102	Use and maintain tools and equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURTTJ003	Remove and replace wheel and tyre assemblies

YEAR TWO

CODE	UNITS
AURETK003	Operate electrical test equipment
AURETR115	Inspect, test and service batteries
AURTTA127	Carry out basic vehicle servicing operations
AURTTE007	Dismantle and assemble single cylinder four-stroke petrol engines
AURTTE008	Dismantle and assemble multi-cylinder four-stroke petrol engines
AURTTA105	Select and use bearings, seals, gaskets, sealants and adhesives [SuniTAFE only]
AURTT8007	Remove and replace brake assemblies [DTTC only]

PROGRAM LENGTH

2 Years

PROGRAM CONTENT

15 Units

LOCATION

Deakin Trade Training Centre
Wednesday, 9am-2.20pm

SuniTAFE Mildura Campus
Friday 9am-3pm

MODE

Face to face
Classroom delivery

PATHWAYS

Completing this program may assist students interested in apprenticeships and further study in the AUR Training Package Certificate III qualifications, or other relevant qualifications.

POSSIBLE

EMPLOYMENT OPTIONS AFTER FURTHER STUDY

- Automotive Mechanic
- Diesel Mechanic
- Mechanical Engineer
- Automotive Designer
- Spare Parts Manager
- Auto Electrician

TRAINING & ASSESSING

Deakin TTC: Delivered by DTTC trainers as a third-party arrangement.

SuniTAFE: Delivered by SuniTAFE trainers.

AUTOMOTIVE AND ENGINEERING

CERTIFICATE II IN ENGINEERING STUDIES 22470VIC

COURSE AIMS

Provide students with the basic knowledge and skills to enhance employment prospects in the engineering manufacturing or related industries and assist entry into the wider engineering industry. The course is designed to introduce students to a range of engineering skills such as basic machining, fabrication, welding use of tools and workshop practices.

COURSE ASSESSMENT METHOD

A range of assessment methods will be used: module theory assessments, tests, practical skill demonstration and exams.

CERTIFICATION

Successful Year 1 students will receive a Statement of Results; successful Year 2 students will receive a Certificate. RTO is responsible for issuing qualifications and statements of attainment associated with this course.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
MEM13014A	Apply principles of OH&S in work environment
VU22329	Report on a range of sectors in manufacturing and engineering industries
MEM18001C	Use hand tools
MEM18002B	Use power tools/hand held operations
VU22330	Select and interpret drawings
VU22335	Perform metal machining operations [SuniTAFE only]
VU22336	Perform metal fabrication operations [DTTC only]
VU22331	Perform basic machining processes
VU22332	Apply basic fabrication techniques

YEAR TWO

CODE	UNITS
MEMPE006A	Undertake basic engineering project
VU22333	Perform intermediate engineering computations
VU22334	Produce basic engineering components and products using fabrication and machining operations
VU22237	Perform basic welding and thermal cutting processes to fabricate engineering structures [SuniTAFE only]

PATHWAYS
Completing this program may assist students interested in apprenticeships and further study into Certificate IV, Diploma, Advanced Diploma and Degree courses.

POSSIBLE
EMPLOYMENT OPTIONS
AFTER FURTHER STUDY

- Civil Engineer
- Plumber
- Mechanical Engineer
- Welder/Fabricator
- Panel Beater
- Fitter & Turner
- Air-Conditioning and Refrigeration Tradesperson

TRAINING & ASSESSING
Deakin TTC: Delivered by Deakin TTC trainers as a third-party arrangement.
SuniTAFE: Delivered by SuniTAFE trainers.

BEAUTY

CERTIFICATE II IN RETAIL COSMETICS

SHB20121

COURSE AIMS

This qualification provides a pathway to work as a retail sales consultant in any business that sell beauty or cosmetic products and services. This can include beauty and hairdressing salons, retail outlets and department stores.

COURSE ASSESSMENT METHOD

A range of assessment methods will be used, module theory assessments, practical skill demonstration and test.

CERTIFICATION

Students will be awarded the Certificate II in Retail Cosmetics on successful completion of the units of competence outlined below. The RTO is responsible for issuing qualifications and statements of attainment associated with this course.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
SHBBMUP009	Design and apply make-up
SHBXIND003	Comply with organisational requirements within a personal services environment
SHBXWHS003	Apply safe hygiene, health, and work practices
SHBBRES003	Research and apply beauty industry information
SIRRINV001	Receive and handle retail stock
SHBBMUP008	Apply eyelash extensions
SHBBFAS004	Provide lash and brow services

YEAR TWO

CODE	UNITS
SHBBCCS004	Demonstrate retail skin care products
SHBBCCS005	Advise on beauty products and services
SHBXCCS007	Conduct salon financial transactions
SHBXIND005	Communicate as part of a salon team
SIRXIND003	Organise personal work requirements
SIRXOSM002	Maintain ethical and professional standards when using social media and online platforms
SHBBINF002	Maintain infection control standards
BSBSUS211	Participate in sustainable work practices

BEAUTY

CERTIFICATE II IN SALON ASSISTANT

SHB20216

COURSE AIMS

Allows students to develop their creative and practical skills within a real salon setting. The program is very hands-on and focused on developing employability skills. Learn how to prepare clients for salon services, safe use of hairdressing tools and equipment, hair styling techniques and products, all whilst gaining knowledge of the hairdressing industry.

COURSE ASSESSMENT METHOD

A range of assessment methods will be used, module theory assessments, tests, practical skill demonstration and exams.

CERTIFICATION

Students will be issued a Statement of Attainment. Australian Institute of Education and Training is responsible for issuing qualifications and statements of attainment associated with this course.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
BSBWHS201	Contribute to health and safety of self and others
SHHBAS001	Provide shampoo and basin services
SHBIND001	Maintain and organise tools, equipment, and work areas
SHBXIND003	Comply with organisational requirements within a personal services environment
SHHBAS002	Provide head, neck, and shoulder massage for relaxation
SIRRMER001	Produce visual merchandise displays

YEAR TWO

CODE	UNITS
SHBHDES001	Dry hair to shape
SHBXCCS003	Greet and prepare clients for salon services
SHBXCCS001	Conduct salon financial transactions
SHBXIND005	Communicate as part of a salon team
SHBHCLS001	Apply hair colour products
SHBHDES002	Braid hair
SHBHIND002	Research and use hairdressing industry information

BEAUTY

CERTIFICATE II IN SALON ASSISTANT (PARTIAL COMPLETION)

SHB20216

CERTIFICATE II IN RETAIL COSMETICS (PARTIAL COMPLETION)

SHB20121

COURSE AIMS

This program consists of a partial completion of Certificate II in Salon Assistant and partial completion of Certificate II in Retail Cosmetics. Students will explore both areas of hairdressing and beauty. Students will develop their creative and practical skills within a real salon setting. Learn how to prepare clients for salon services, safe use of hairdressing tools and equipment, hair styling techniques and products, advise on beauty products, demonstrate skincare, apply make-up all whilst gaining knowledge of the hairdressing and beauty industry. The program is hands on and focused on developing employability skills.

COURSE AIMS

A range of assessment methods will be used, module theory assessments, tests, practical skill demonstration and exams.

CERTIFICATION

Students will be issued a statement of attainment for partial completions. Australia Institute of Education and Training is responsible for issuing the statement of attainment associated with these courses.

UNITS OF COMPETENCY

YEAR ONE

BEAUTY

CERTIFICATE III IN BEAUTY SERVICES

SHB30121

COURSE AIMS

This course is intended for people seeking to work in the beauty industry. The course provides the skills and knowledge required to provide beauty services such as waxing, makeup applications, tanning, lash and brow services and other facets around client and customer service and consultation. The course will provide knowledge and understanding of the regulations, policies and procedures of a licensed beauty salon by providing real life beauty services on clients.

COURSE ASSESSMENT METHOD

A range of assessment methods will be used: module theory assessments, test, practical skill demonstrations. Group work required.

CERTIFICATION

Partial completion ONLY.

Successful year 1 and 2 students will receive a statement of results. Please note, in 2024, successful year 2 students will receive a certificate. SuniTAFE is responsible for issuing statements of attainment and certificate associated with this course.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
SHBXWHS003	Apply safe hygiene, health and work practices
SHBBINF002	Maintain infection control standards
SHBXCCS009	Greet and prepare clients for salon services
SHBXCCS008	Provide salon services to clients
SHBBNLS007	Provide manicure and pedicure services
SHBBBOS007	Apply cosmetic tanning products

YEAR TWO

CODE	UNITS
SIRXSLS001	Sell to the retail customer
SHBBHRS010	Provide waxing services
SHBBMUP009	Design and apply make-up
SHBBMUP010	Design and apply make-up for photography
SHBBFAS004	Provide lash and brow services

Returning second year students in 2024 will study the following units, for full course completion:

YEAR TWO

CODE	UNITS
SHBBFAS004	Provide lash and brow services
SHBBHRS010	Provide waxing services
SHBBMUP009	Design and apply make-up
SHBBRES003	Research and apply beauty industry information
SHBXCCS008	Provide salon services to clients
SHBXIND003	Comply with organisational requirements within a personal services environment
SIRXOSM002	Maintain ethical and professional standards when using social media and online platforms
SHBBMUP010	Design and apply make-up for photography

PROGRAM LENGTH

2 years for the partial completion.

Please note that additional units are required to complete the Certificate III after the 2 years.

PATHWAYS

On the completion of the Certificate III students will be able to enrol in the Diploma of Beauty Therapy.

POSSIBLE EMPLOYMENT OPTIONS

- Beautician
- Wax Technician
- Beauty Advisor
- Make-up Technician

TRAINING & ASSESSING

Delivered by SuniTAFE trainers.

CONSTRUCTION AND TRADES

CERTIFICATE II IN BUILDING & CONSTRUCTION [PRE-APPRENTICESHIP] 22338VIC

COURSE AIMS

The VET Building and Construction [Pre- Apprenticeship] program will provide students with the basic knowledge and skills to enhance employment prospects as an apprentice in the building and construction industry. The course will teach students the entry level tools and equipment used by carpenters. On successful completion of the relevant unit, students will receive a Construction Induction Card as part of this course.

PLEASE NOTE: This course is a partial completion only.

COURSE ASSESSMENT METHOD

Practical assessments, observation, completion of workbooks, holistic assessment at the end of the year and written tests.

CERTIFICATION

Successful Year 1 and Year 2 students will receive a Statement of Results. The RTO is responsible for issuing qualifications and statements of attainment associated with this course.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
CPCCWHS1001	Prepare to work safely in the construction industry
CPCCCM1014A	Conduct workplace communication
CPCCCM1012A	Work effectively and sustainably in the construction industry
CPCCCM1015A	Carry out measurements and calculations
VU22014	Prepare for work in the building and construction industry
VU22022	Identify and handle carpentry tools and equipment
CPCCCM2006	Apply basic levelling procedures

YEAR TWO

CODE	UNITS
VU22023	Perform basic setting out
VU22024	Construct basic sub-floor
VU22025	Construct basic wall frames
VU22028	Install basic window and door frames
VU22026	Construct a basic roof frame
VU22027	Install basic external cladding

YEAR THREE [Optional]

CODE	UNITS
VU22029	Install interior fixings
VU22030	Carry out basic demolition
CPCCOHS2001A	Apply OHS requirements, policies and procedures
VU22015	Interpret and apply basic plans and drawings
VU22016	Erect and safely use working platforms
HLTAID010	Provide basic emergency life support

PATHWAYS

Completing this program may assist students interested in apprenticeships in Carpentry or other building and construction trades. Other pathways include Certificate IV in Building and Construction and many other building diplomas and degrees.

POSSIBLE

EMPLOYMENT OPTIONS AFTER FURTHER STUDY

- Apprenticeship or traineeship
- Registered Building Practitioner
- Building Inspector
- Project Manager
- Architect, Carpenter
- Draftsperson

TRAINING & ASSESSING

Delivered by Deakin TTC trainers as a third-party arrangement.

CONSTRUCTION AND TRADES

CERTIFICATE II IN FURNITURE MAKING PATHWAYS

MSF20516

PLEASE NOTE: Certificate II in Furniture Making Pathways [MSF20516] is currently under review with the new course MSF20522 being implemented in 2024. The course is deemed equivalent however some course codes and names may change. The Victorian Curriculum and Assessment Authority [VCAA] will release the new VCAA VET Furniture Making Pathways course later in the year. Below is the program delivered in 2023.

COURSE AIMS

The VET Furniture Making program will provide students with the basic knowledge and skills required to perform the manufacture of free-standing furniture. Students will develop hand and power tool skills while working on a variety of projects related to cabinet making and solid furnishing. This may enhance employment prospects in the furnishing industry.

COURSE ASSESSMENT METHOD

Module theory assessments and tests, practical skill demonstration and exams.

CERTIFICATION

Successful Year 1 students will receive a Statement of Results: successful Year 2 students will receive a Certificate. The RTO is responsible for issuing qualification and statements of attainment associated with this course.

- Joiner

TRAINING & ASSESSING

Delivered by Deakin TTC trainers as a third-party arrangement.

CONSTRUCTION AND TRADES

CERTIFICATE II IN ELECTROTECHNOLOGY (CAREER START)

UEE22020

COURSE AIMS

The VET Electrical program will provide students with an introduction to the electrical industry, developing the basic skills for both domestic and commercial electrical work. Students will learn skills and theory knowledge with a focus on test instrumentation, correct use of tools, electrical wiring, equipment and drawings about the industry regulations and safety requirements.

COURSE ASSESSMENT METHOD

A range of assessment methods will be used; module theory assessments, tests, practical skill demonstration and exams.

CERTIFICATION

Successful Year 1 students will receive a Statement of Results; successful Year 2 students will receive a Certificate. The RTO is responsible for issuing qualifications and statements of attainment associated with this course.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
CPCCWHS1001	Prepare to work safely in the construction industry
UEECD0007	Apply work health and safety regulations, codes and practices in the workplace
UEECD0009	Carry out routine work activities in an energy sector environment
UEECD0034	Produce routine tools/devices for carrying out energy sector work activities
UEECD0038	Produce solutions and report on routine electrotechnology problems
UEECD0052	Use routine equipment/plant/technologies in an energy sector environment

YEAR TWO

CODE	UNITS
UEEAS0001	Assemble electronic components
UEEAS0004	Select electronic components for assembly
UEECD0020	Fix and secure electrotechnology equipment
UEECD0021	Identify and select components, accessories and materials for energy sector work activities
UEECD0046	Solve problems in single path circuits
UEERE0021	Provide basic sustainable energy solutions for energy reduction in residential premises
UEERE0001	Apply environmentally and sustainable procedures in the energy sector

CONSTRUCTION AND TRADES

CERTIFICATE II IN PLUMBING (PRE-APPRENTICESHIP) 22569VIC

COURSE AIMS

This course is designed for students aspiring to enter the plumbing industry as a trainee or apprentice. This is a pre-employment course and is regarded as the most suitable way to gain employment in the plumbing industry.

COURSE ASSESSMENT METHOD

A range of assessment methods will be used: module theory assessments, tests, practical skill demonstration and exams.

CERTIFICATION

Successful Year 1 students will receive a Statement of Results; successful Year 2 students will receive a Certificate. SuniTAFE is responsible for issuing qualifications and statements of attainment associated with this course.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
CPCCWHS1001	Work safely in the construction industry
VU23054	Use basic plumbing hand tools
VU23055	Use basic power tools
VU23046	Apply basic sheet metal practices
VU23051	Prepare to work in the plumbing industry
VU23052	Use and apply basic levelling equipment for plumbing
CPCCCM1015	Carry out measurements and calculations
VU23050	Perform basic oxy-acetylene welding and cutting
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
CPCCCM2001	Read and interpret plans and specifications

YEAR TWO

CODE	UNITS
VU23053	Use basic electric welding equipment and techniques
VU23047	Cut and penetrate building materials and structures
CPCPCM2039A	Carry out interactive workplace communication
VU23049	Identify career pathways in the plumbing industry
HLTAID002	Provide basic emergency life support
VU23056	Use plumbing pipes, fittings and fixtures to simulate plumbing installations
BSBWRT311	Write simple documents
VU23048	Fabricate simple plumbing pipe systems
CUAACD303	Produce technical drawings

DESIGN AND VISUAL ARTS

CERTIFICATE II IN APPLIED FASHION DESIGN AND TECHNOLOGY

MST20616

COURSE AIMS

The VCE VET Applied Fashion Design and Technology program provides students with the knowledge and skills to enhance their employment prospects in the fashion design and textile production industries. Students develop skills used in the design and production of garments and millinery, as well as in the development of unique fashion and textile design.

COURSE ASSESSMENT METHOD

Practical assessments [folio], completion of workbooks, written assessments and product development.

CERTIFICATION

Successful Year 1 students will receive a Statement of Results; successful Year 2 students will receive a Certificate. Ripponlea Institute is responsible for issuing qualifications and statements of attainment associated with this course.

UNITS OF COMPETENCY

YEAR ONE

CODE	UNITS
MSMWHS200	Work safely
MSTFD2006	Use a sewing machine for fashion design
MSS402051	Apply quality standards
MSTCL2010	Modify patterns to create basic styles
MSTCL1001	Produce a simple garment
MSTGN2013	Identify fibres, fabrics and textiles used in the TCF industry
MSTTX1001	Produce a simple textile fabric or product

YEAR TWO

CODE	UNITS
MSMENV272	Participate in environmentally sustainable work practices
MSTML1001	Make a simple headpiece
MSTCL2011	Draw and interpret a basic sketch
MSTFD2001	Design and produce a simple garment
MSTFD2005	Identify design process for fashion design
MSTCL3007	Embellish garment by hand or machine
MSTFD3003	Prepare design concept for a simple garment

FOOD AND HOSPITALITY

CERTIFICATE II IN COOKERY

SIT20421

COURSE AIMS

Students will develop a range of food preparation and cookery skills to prepare menu items, whilst gaining an overview of the dynamic hospitality industry. This course develops the knowledge and skills required to work in a fully functioning kitchen, under the direct supervision of a chef, focusing on preparing, cooking and plating food. Students will learn hygienic practices in food preparation and the skills to prepare and present simple dishes. Students will participate in 'live restaurant' services, working at a range of functions held at the SuniTAFE and RTTC on-campus restaurant.

COURSE ASSESSMENT METHOD

- Direct observations of work practices
- Portfolio of annotated recipes and dishes
- Practical assessments
- Topic test and exams

CERTIFICATION

Successful Year 1 students will receive a statement of results; successful Year 2 students will receive a certificate. The RTO is responsible for issuing qualifications and statements of attainment associated with this course.

UNITS OF COMPETENCY (delivered over 2 years)

CODE	UNITS
HLTAID001	Provide First Aid
SITHCCC023	Use food preparation equipment
SITHCCC027	Prepare dishes using basic methods of cookery
SITHKOP009	Clean kitchen premises and equipment
SITXFSA005	Use hygienic practices for food safety
SITXINV006	Receive, store, and maintain stock
SITXWHS005	Participate in safe work practices
SITHCCC024	Prepare and present simple dishes
SITXCOM007	Show social and cultural sensitivity
SITHCCC028	Prepare appetisers and salads
SITHCCC029	Prepare stocks, sauces, and soups
SITHCCC030	Prepare vegetable, fruit, egg, and farinaceous dishes
SITHCCC034	Work effectively in a commercial kitchen
SITHCCC025	Prepare and present sandwiches (RTTC only)

Please Note:

SIT20421 Certificate II in Cookery supersedes and is equivalent to SIT20416 Certificate II in Kitchen Operations.
