This short course is designed for clients that require the skills and knowledge in dealing with and managing an asthma attack within their workplace. In particular, the course is aimed at those in the childcare, schools, Sporting Clubs, Disability Services and workplaces, but could be for family members of someone who has been diagnosed with asthma.

Entry requirements
Each student will undertake a Pre Enrolment Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual’s existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
Please contact SuniTAFE to discuss the job outcomes of this course.

Further study
Please contact SuniTAFE to discuss other qualifications that can extend your skills further.

Fee
$60.00

Expected time to complete
3 Hours

Assessment Methods
