The Advanced Diploma of Leadership and Management will be of particular interest to those aspiring to senior managerial roles in a large organisation and those who have a leadership role in smaller organisations. The course will focus on the management of teams, departments and projects - the skills essential to be a successful manager.

The program recognises that senior management and leadership are all about performance and change. This qualification reflects the role of individuals who apply specialised knowledge and skills, together with experience in leadership and management, across a range of enterprise and industry contexts. This course is for individuals currently employed in a management role and seeking progression up the corporate ladder or those exploring a career change.

**Entry requirements**
Interview and a minimum of 3 years management experience or Diploma of Management qualification. Each student will undertake a Pre-Training Review to help confirm the proposed course is suitable. It will provide valuable information about an individual’s existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

**Job outcome**
This qualification could lead to employment in a senior, managerial or executive role in wide range of industries. This qualification can lead you to a university degree in business management.

**Further study**
Bachelor of Applied Management.
