Certificate II in Wine Industry Operations targets those working within a production or production support role.

Certificate II in Wine Industry Operations targets those working within a production or production support role. Job roles in the industry often vary in the degree of skill specialisation and the Qualification packaging rules reflect this diversity through allowing a choice of specialist electives in one specialisation area or a combination of grape growing, cellar operations, bottling and packaging, warehousing, laboratory and cellar door sales work.

Entry requirements
Each student will undertake a Pre Enrolment Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual's existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
Industry occupations include; Wine Cellar operations, Wine Packaging Operations, Vineyard Operations, Laboratory Operations, Warehousing, Cellar Door Sales.

Please contact SuniTAFE for more information.
