Certificate III in Accounts Administration (FNS30315)

The Certificate III in Accounts Administration is your entry into the finance industry.

This qualification reflects the job roles of employees with functions that could include financial data entry and processing accounts but also providing customer service and business support in financial transactions and producing reports.

Entry requirements
Each student will undertake a Pre Training Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual's existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
This qualification could lead to employment as an accounts clerk, cashier, accounts payable/receivable officer or bookkeeping assistant. You will gain employable skills but you will also be equipped with the basic knowledge to proceed into further education in this area.

Further study
Certificate IV in Accounting or Certificate IV in Bookkeeping.
