Certificate III in Allied Health Assistance (HLT32412)

This qualification covers workers who provide assistance to allied health professionals.

The Certificate III in Allied Health Assistance enables you to provide supervised assistance to allied health professionals, without conducting programs or therapeutic interventions. You will learn the skills which will allow you to support patient therapy in a specialised area as well as all the safety, communication and personal skills to make sure you are confident and competent in a demanding workplace.

Job outcome
This qualification could lead to employment as a Therapy Assistant, Physiotherapy Assistant, Occupational Therapy Assistant, Podiatry Assistant, Speech Pathology Assistant or Allied Health Assistant.

Further study
This qualification enables students onto pathway into Certificate IV in Allied Health Assistance.

Entry requirements
Victorian police check
