The AUSCHEM Chemical Users Course (previously called Farm Chemical Users Course) is the industry standard for training in chemical use, storage and handling.

**Entry requirements**
Participants must hold an AgVET Chemical Users Licence or equivalent, less than 10 years old. Flexible delivery students must have access to a computer and the internet.

Each student will undertake a Pre Enrolment Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual's existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

**Job outcome**
This course provides the required training for many Industry Quality Assurance Programs and is necessary to apply for the Victorian Agricultural Chemical Users Permit.

**Further study**
The two units AHCCHM303A Prepare and apply chemicals and AHCCHM304A Transport, handle and store chemicals provide credits towards the partial completion of a number of courses within the AHC10 training package.

**Fee**
$155.00

**Expected time to complete**
1 Day
This course is only offered to students in New South Wales.

Mildura: Fri 25 Nov 2016 8.30AM - 4.00PM (Cardross Farm: XG-14)
Robinvale: Fri 25 Nov 2016 9.00AM - 5.00PM (RRG-01)
