This short course has been designed to suit the needs of individuals wanting to work in organisations that offer riding activities and recreational horse riding programs. It contains a range of units that provide the skills and knowledge required to conduct horse riding sessions safely in a controlled environment and for planning, conducting and evaluating exercises and activities to teach the fundamental skills of riding and horse care.

**Entry requirements**
Each student will undertake a Pre Enrolment Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual’s existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

A moderate level of physical stamina and ability.

**Job outcome**
A gateway into the equine tourism industry.

**Further study**
