This short course consists of three units of competency. On completion, participants will have acquired the basic knowledge and skill required to work as an Agent's Representative. This includes an understanding of how the industry operates, knowledge of the basic legal principles relating to property sales and property management, and skill in the completion of various documents required for the sale and leasing of property.

Units of competency:
CPPDSM4080A Work in the real estate industry, CPPDSM4007A Identify legal and ethical requirements of property management to complete agency work, CPPDSM4008A Identify legal and ethical requirements of property sales to complete agency work.

Entry requirements
Candidates are interviewed (via phone or in person) prior to enrolment to confirm their understanding of the requirements of this short course. The course is suitable for persons over the age of 18.

Each student will undertake a Pre Enrolment Review to help confirm the proposed course is suitable. It will provide valuable information about an individual's existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
The ability to work in the Real Estate industry as an Agents Representative, listing and selling property or managing properties for lease.
