This course is a 5 day intensive workshop designed for existing beauty therapists to expand/ update their skills in nail enhancements and for learners who want to be able to offer nail enhancement services to clients. The course covers UV Gel and acrylic enhancement application, use of electric drill file, applying nail art and customer service, WHS and communication skills. Some work is given in the workshop to be completed in your own time and you will need to supply models.

Entry requirements
Each student will undertake a Pre Enrolment Review before enrolling to help confirm the proposed course is suitable. It will provide valuable information about an individual's existing skills and knowledge, language, literacy and numeracy skills and whether the course will help in achieving learning and/or employment goals.

Job outcome
This course will give you the skills to offer nail services to clients.

Further study
Units in this course can be credited into a traineeship in Beauty (cert III and IV) or Diploma of Beauty Therapy.

Fee
$1,537.99
